The Diocese of Belleville requires all students in grades K-12 in our Faith Formation Program to be offered Safe Environment classes each year. The classes are video based and lead by Diocesan approved facilitators. The focus is on personal safety at all grade levels and has an age appropriate approach. These sessions are designed to help our students understand how to keep themselves safe. The Safe Environment Class will be scheduled during a regular YFF time and the date given to parents/guardians in advance of the scheduled date.
